10 Handle

### Installing the outer buckle

①

②

③

### Connecting electrical components

1. Connect the power cable under the bench (for saunas with lower and floor heaters).

2. Connect the blue UTP cable from the control panel to the sauna control unit.

3. Connect the power cables between the control unit and the stove.

\* in case of ambiguity, call +38670 700 805.

### Installation of hinges, handle and cover

1. Install the hinges - the soft parts must be next to the glass, on the inside of the hinges 2.

2. Install the handle, screws from the inside of the sauna.

3. Install the cover plate
